KKSys Rapid Entry Grids and Forms

KKSys includes a number of custom grids and forms, added to the user interface to enable rapid data entry. Details of these parts of the system, how to use and acccess them are detailed in the following help-documents.

- [1. Societies Membership Update Form](#)
- [2. Farmer Deliveries Rapid Entry Grid](#)
- [3. New Members Form](#)
- [4. Membership Updates Dashboard](#)
- [5. Mapping Systems in KKSys](#)
